MEET THE TOP 100 STARTUPS IN ASIA

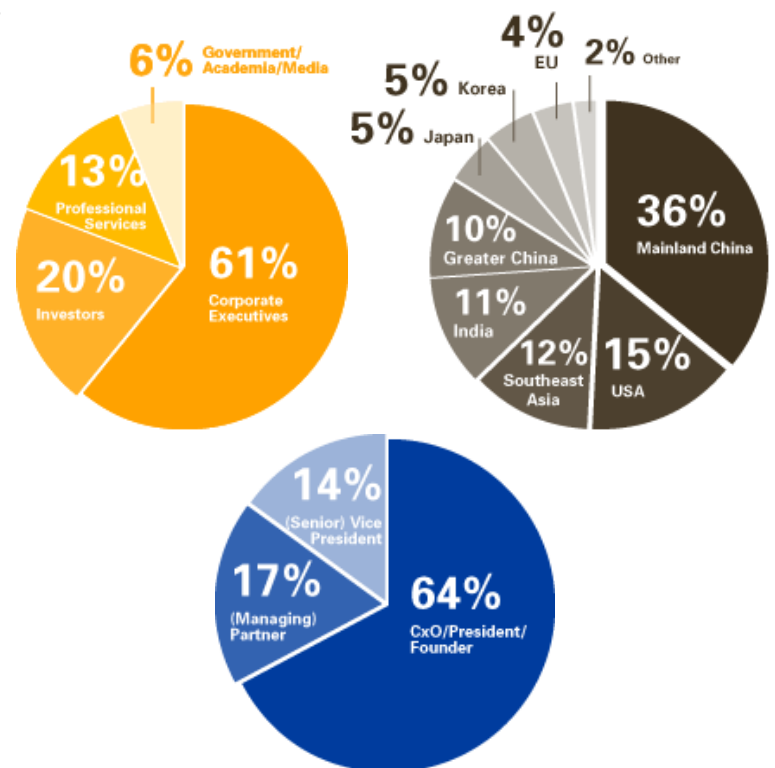

Through a stringent application process, Red Herring's editorial team has chosen Asia's hottest technology startups. Red Herring Asia celebrates the successes of these companies and their business models August 28th - 30th in Hong Kong.

The 2nd Annual Top 100 Summit will

- **Introduce** you to the founders of Asia's hottest startups. **Provide an inside look** at their technologies, products and business models
- **Gather** star entrepreneurs, corporate strategists, and investors at a single venue for 2.5 days of the highest editorial content, networking and intelligent discussions
- Spotlight Asian innovation providing the **perfect platform for a number of Global Launches**
- **Bring Silicon Valley VC's** together with investors from Asia to explore what it takes to successfully invest in China, India, Korea and Japan
- **Share personal stories** from investors and entrepreneurs operating on the ground in Asia
- Provide an **opportunity for the Top 100 to showcase their innovations** to VC's and other members of the financial community from within and outside the region
- Establish a **platform for multi-nationals to invest** in, enter commercial agreements with, or acquire intellectual property from the region
- And finally, true to Red Herring's tradition, Red Herring Asia offers a **forum for lively conversations** and penetrating - and occasionally uncomfortable - questions

What do Red Herring Top 100 Events look like?

We have hosted over 1000 executives and investors at Top 100 events in North America, Europe, and Asia. Last year's Top 100 Asia included 200+ attendees with 60+ Top 100 winners presenting.

How do I find out more?

This is an invitation only event. We screen applicants to ensure that only CxO-level executives and partner-level investors attend. VP-level applicants will be accepted only for mid and large cap public corporations.

For more information and the agenda, please contact a regional representative, or visit our website at www.redherring.com/rhaisa06
